

PROVIDER ALERT

Provider Enrollment: Updated MPRIME Resources and Changes to the
'Return to Provider' Application Process

August 20, 2026

Target Audience: All Behavioral Health Providers

The Maryland Department of Health (MDH) Medicaid Administration released two transmittals to behavioral health providers related to provider enrollment processes.

The guidance announces new MPRIME resources, important deadlines, and instructions for addressing Return to Provider (RTP) applications in ePREP ahead of the transition to the MPRIME system in October 2026.
